ANTIVIRAL SET

TIBETAN MEDICINE FORMULAS ARE
EFFECTIVELY USED FOR
MORE THAN 2500 YEARS

WHAT IS ANTIVIRAL SET?

The powerful combination of Himalayan plant based and biogenic formulas for strengthening the immune system. Products are intended to provide cold and flu protection, boost the body's ability to fight infections, support respiratory function, balance inflammatory responses, and increase energy production in times of stress or sickness.

HOW TO USE?

MORNING: DAKNANG™5

AFTERNOON: DAKNANG™3

EVENING: DAKNANG™17

Add 10 drops
to a glass of water
and drink 30 minutes
before or after the meals

WHAT DOES IT GIVE?

STRENGTHENS IMMUNE SYSTEM

Boosts the body's ability to fight infections, from a tickle in your throat to a full-blown cold

COLD & FLU DEFENCE

Provides the First Aid, reduces duration and severity of symptoms by regulating fast-acting immune defence

STRENGTHENS RESPIRATORY HEALTH

Soothes irritated airways, supports free breathing and opens nasal passageways

BALANCES INFLAMMATORY RESPONSE

Promotes healthy, optimal immune and inflammatory responses to common allergens

REFINES ADAPTATION TO EXTERNAL CHALLENGES

Natural bio regulator that helps to increase energy and adapt faster to stress, weather and time zone changes

DON'T USE THE FOOD SUPPLEMENTS AS A COMPLETE AND BALANCED NUTRITION SUBSTITUTE
